#### A Card.

The determination of my friends yesterday ovening that my name ought not to be presented to the convention then in session, after the extraordinary action of that body in excluding the five regularly elected delegates from the Scott townshap, in Fauquier county, imposes upon me a duty which I must perform. I amnounce myself a candidate to represent this District in the next Congress of the United States.

If the Republican party presents a candidate, will submit to the arbitrament of any Conserva-tive convention that may be elected in accordance with the established plan of organization.
